Leader Tele_Marketing | Paradise Bay Resort Company

July 2018 - August 2020

Industry : Hospitality & Luxury Resort

Key Responsibilities

- Built and managed a 15–20 member Tele-Marketing team, consistently achieving 90%+ monthly KPI attainment and improving overall conversion rates.
- Took responsibility for planning, executing, and overseeing outbound engagement campaigns to invite customers to company seminars, aligned with business objectives.
- Set performance targets and drove individual and team productivity to achieve and exceed monthly KPIs.
- Designed and delivered training and coaching programs focused on objection handling, persuasive communication, call scripting, and conversation control.
- Conducted call recording reviews, facilitated role-play sessions, and scheduled coaching plans tailored to each employee's development stage.
- Collaborated closely with QA and Training teams to evaluate call quality and implement timely performance improvement solutions.
- Monitored and optimized the use of CRM systems, call performance metrics, and call recordings to ensure data accuracy and operational transparency.
- Planned and tracked daily, weekly, and monthly performance targets, proactively supporting team members to meet and exceed KPIs.
- Directly handled challenging customers to support the sales team in achieving overall sales KPIs.
- Performed additional duties as assigned by management and in line with company requirements.

Outcomes

- Achieved 129% KPI in the first month after team launch.
- Consistently maintained >90% KPI performance in subsequent months.

Branch Manager / Sales & Customer Experience Manager | Han Thien

Phuc Company Limited | Nov 2012 – Jun 2018

Industry: Technical Devices & Healthcare Solutions

Role Scope

- Owned overall branch business performance with full accountability for B2C revenue, sales effectiveness, and customer experience quality.
- Led and developed a Sales & Customer Service team of 10–15 members, promoting a needs-based, value-driven consultative selling approach.
- Designed and executed business and sales plans for a newly established branch, including customer acquisition initiatives and product experience activities.

- Drove new product introductions, developed consultation content tailored to multiple customer segments across different age groups.
- Served as the primary escalation point at branch level, directly handling complex consultations, customer feedback, and complaint resolution.
- Recruited, trained, and coached sales and customer service staff, standardizing consultation skills, objection handling, and after-sales care processes.
- Coordinated branch-level financial operations, including revenue and expense control, pricing strategies, promotional programs, and incentive planning.
- Delivered technical product training with direct guidance from the technical team of IBI Group (South Korea), strengthening team capability and customer trust.

Business Impact

- Ensured the newly established branch consistently achieved revenue targets within the first three months, establishing a strong foundation for sustainable growth.
- Built and stabilized a high-performing Sales & Customer Service team, improving consultation quality and overall customer experience.
- Contributed to increased customer retention and referral rates through the implementation of a value-based consultation and after-sales care model.

B2C Sales Executive | Nov 2012 – Apr 2013

Key Responsibilities

- Delivered consultative B2C sales for technical and healthcare solutions, serving customers across a wide range of age groups with varying needs.
- Applied a problem- and outcome-focused sales approach, helping customers clearly understand the long-term value and benefits of the solutions.
- Participated in sales campaigns and in-store consultation events, supporting customer acquisition during the branch's early operational stage.
- Built and maintained strong customer relationships through attentive consultation and after-sales support.

Key Achievements

- Consistently achieved 110–120% monthly sales targets.
- Contributed to early-stage revenue growth and the development of the branch's initial customer base.
- Recognized for strong consultation quality, customer handling skills, and growth potential, forming the foundation for future progression into a management role.
